### Boy Liberty Bonds

The total of American army casu-  
alties in France, including the divi-  
sion of men from the marine corps,  
now totals something like 37,000. We  
have lost in dead a total of 12,200.  
Slightly over 20,000 men have been  
wounded in action, not including  
those who died of wounds received  
in action. The missing, including  
prisoners, now approximates the  
5,000 mark. Deaths from disease  
are small in proportion, barely reach-  
ing the 2,000 mark. In view of the  
fact that many of the casualties re-  
ported are minor casualties our losses  
have been very small both in propor-  
tion to the number of men engaged  
and the severity of the fighting.  
There will be more hard fighting this  
fall, but the bulk of the American  
casualties will come, we imagine, in  
1919.

## Forward!

With no thought of bursting shrap-  
nel and poisonous gases into which  
they plunge—with every muscle tense,  
with every faculty of mind alert,  
with one thought only—TO FIGHT  
AND WIN.

That is the way our men are going  
into battle. When the shrill whistle  
sounds the advance, out they go—their  
whole heart in the task before them.  
*No power on earth can hold them back.*

## Forward!

The same sharp challenge to battle  
is sounding for us. We must answer  
in the same proud way—the way of  
our fighting men—the American way.  
*We must lend the way they fight.*

We must show the war-maddened  
Hun a united American people mov-  
ing forward shoulder to shoulder,  
irresistibly, to Victory.

Our task is to supply the money,  
the ships, the guns, the shells that we  
must have to win. It is a tremendous  
task. We must do it as our fighting  
men do theirs—with the indomitable  
spirit of Victory.

We must work, and save, and lend  
with one thought only—TO FIGHT  
AND WIN.

*Get into the fight—with your whole  
heart. Buy Bonds—to the utmost!*
